

SILVER SCREEN LEGEND XIX WINNER!

The drawing for the 2016 Silver Screen Legend XIX was held on Saturday night, December 17, 2016 during Curly's Cowboy Christmas dinner and show to benefit the abused children served by the Happy Trails Children's Foundation. Kathi Musgrave, widow of cowboy singer/songwriter Curly Jim Musgrave, founder of the event that carries his name, with assistance from Joe Benoit, winner of Silver Screen Legend VII, that he was wearing, reached into the large drum packed with more than 17,000 ticket stubs and drew out the winning stub, **#13,115**. **The lucky winner is Edwin Davis of Mississippi.** Edwin is 82 years old, a retired school principal and Colt collector. He is a legally licensed owner of a Tommy Gun and a Life Member of the NRA. Edwin is married and has two adult children and four grandchildren. He has purchased tickets in the Silver Screen Legend project for many years.

Watch for exciting news about Silver Screen Legend XX coming soon. We have something very unique and special planned for 2017!
